Our Honeymoon Journal

Synopsis

"Our Honeymoon Journal" will become a precious keepsake of your first few weeks together as a married couple. The Journal begins with Before We Go, which contains helpful destination and packing tips and a checklist of what to arrange before your trip. In Our Trip, there are special pages to document the places you visited, special meals you tried, and even the books you read and music you listened to together. Once you get to your destination, you can relax and think about your Honeymoon Diary. There's space here for you to reflect on memories of your wedding, plenty of lined diary pages for you to fill in day by day, and blank scrapbook pages, too. Finally, a Honeymoon Photos chapter, filled with photographic paper, lets you get creative with photos and sketches.

Customer Reviews

This was a perfect book to record our honeymoon memories in. Plenty of space and good quality!!! Nice pictures inside and space for your own photos.

This goes along with our bridesmaid gift of traveling items. It'll be a little keepsake for them from their honeymoon without taking up any of their time. I would absolutely recommend this as a gift!

I received my order promptly and the honeymoon couple loved it!!
