# New England Gardener's Resource

## Synopsis

The New England Gardener's Resource is written by popular gardening experts who include their collective wisdom in one complete guide for New England gardeners. In addition to the hundreds of hardy plants in eleven different plant categories, there are monthly-to do calendars assisting gardeners with the proper care and timing for everything from planting to pruning.

Language: English

ISBN-10: 1591864658

ISBN-13: 978-1591864653

Product Dimensions: 6 x 1.1 x 9 inches

Shipping Weight: 1.8 pounds

Average Customer Review: 5.0 out of 5 starsÂ Â See all reviewsÂ (2 customer reviews)

Best Sellers Rank: #2,696,637 in Books (See Top 100 in Books) #83 inÂ Books > Crafts, Hobbies & Home > Gardening & Landscape Design > By Region > New England

## Customer Reviews

We moved into the suburbs of Boston from the city and had a yard for the first time when we go this book. We got a number of other gardening books over the two years that we've been in our house but this remains our most useful and most read one. It is specific to New England as opposed to more generic books. The plants it highlights are ones that do well in New England without a lot of work. The book is well organized. We especially love the month-by-month recommendations for each plant category. I would recommend this to any first-time gardeners as well as experienced ones in New England.

Marvelous book! Well written, good directions, pictures and ideas for every season of planting in the northeast, highly recommend it!
